

World Telecommunication and Information Society Day (WTISD) May 17th, 2009

The Telecommunications Authority of Trinidad and Tobago joins the members of the International Telecommunications Union (ITU) in celebrating WTISD on May 17th 2009.

To mark the Day, the ITU has adopted the theme: **Protecting Children in Cyberspace**

As part of its celebrations of the day, and consistent with this theme, the Authority will be hosting two television features as follows:

- ***CYBER PREDATORS – PROTECTING CHILDREN IN CYBERSPACE***
- a special live call-in feature on Monday May 18th 2009 from 8:30p.m. on CNC 3 and
- ***CYBER DANGER*** – A drama/discussion presentation that highlights the potential dangers that children face on the Internet, premiering the week of May 24, 2009.

Additional information on this topic can be obtained from the website of the Child Online Protection (COP), a global initiative created by ITU, at <http://www.itu.int/osg/csd/cybersecurity/gca/cop/index.html>
